DOCKET NO. 2009-480-S

Application of Carolina Water Service, Inc. for Approval of a Contract to Serve Property in York County, South Carolina

Carolina Water Service, Inc. ("Applicant" or "Utility") has filed an application with the Public Service Commission of South Carolina ("Commission") pursuant to 26 S.C. Code Ann. Regs. RR. 103-541 and 103-743 (Supp.2008) for approval of a contract between it and Mr. Mahendra I. The Applicant is a public utility currently authorized to operate water and wastewater systems under the jurisdiction of the Commission in York County, as well as certain other counties in the state. According to the Application, Developer desires to develop the property into a residential development which, when completed, will contain four (4) single family residential homes. The Agreement provides that Developer will construct all of the necessary water distribution and wastewater collection facilities ("Facilities") required to serve the Property, interconnect the facilities with the Utility's existing water and wastewater systems, acquire all necessary easements and rights-of-way ("Easements") and convey such Facilities and Easements to Applicant. The Application reveals that the Property is within the Applicant's Commission authorized service area in York County. Upon the payment of water and wastewater service connection and plant impact fees, Applicant has agreed to reserve adequate water and wastewater utility capacity for up to four (4) water and wastewater connections located within the Property.
